Commissioner for Patents

The reply filed on 4-6-2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Elected claims 1-25 are not all readable on the elected Fig. 53 species. For example, the movable housing as recited in claim 1 and illustrated in Fig. 53 does not contain a plurality of keys and their functions as recited in numerous elected claims. It is the responsibility of the applicant to properly identify the claims that are readable on the elected species, in this case Fig. 53. Applicant is advised there is no need to resubmit the listing of claims, only a statement confirming the election of Fig. 53 species and a proper identification of the claims that are readable on the elected species is needed to complete the response. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry regarding this communication should be directed to Ren Yan at telephone number 571-272-2173.
